A WORD FROM OUR SPONSOR

This is the 24th year of Nedbank’s partnership with the Cape Winemakers Guild. At Nedbank we are inspired to play our part in supporting you and what you stand for – a commitment from each of your 45 members to the art of winemaking and the transformation and growth of the profession in our country. Importantly, this includes your transformative role in mentoring a new generation of winemakers through the Cape Winemakers Guild Protégé Programme, which Nedbank also supports. Established in 2006, this programme has, over the years, guided 30 gifted protégés, who are all now pursuing careers in our wine industry.

Nedbank’s brand ethos, see money differently, speaks to the aspirational mix of tradition and transformation that we share with the Cape Winemakers Guild. We salute your talents, we applaud your triumphs over complex market, management and climate challenges, and we celebrate the hands that offer us some of the finest wines in the world.

Mike Brown
Chief Executive, Nedbank Group
The Cape Winemakers Guild was established in 1982 by a handful of dynamic winemakers as a platform to learn about wine. As our industry evolved, so did the Guild and in 1999 the Nedbank Cape Winemakers Guild Development Trust was established to support social development through further education in the South African wine industry. The Protégé Programme was introduced a few years later to facilitate transformation in the wine industry where young winemakers from various backgrounds could be given the opportunity to be mentored by CWG members. This has been made possible by the generous donations of our sponsor Nedbank. On behalf of all our members, I would like to thank Nedbank for its continued support of the Cape Winemakers Guild Auction and our Development Trust projects.

The CWG Auction was introduced in 1985 as a showcase for the members’ creativity and has established itself over the last 35 years as South Africa’s leading fine wine auction. What makes the CWG Auction unique is the fact that the wines on auction are hand made for the CWG Auction, and are only available at the CWG Auction.

Last year three of our founder members decided to step down, to pass the baton on to the next generation. Founder member Jan Boland Coetzee left us with the following parting words: “Excellence is the result of caring more than others think is wise, risking more than others think is safe, dreaming more than others think is practical and expecting more than others think is possible. Excellence through teamwork is the fuel that allows common people to attain uncommon results.” This is the passion that drives the CWG and the CWG Auction is the showcase of that excellence.

I would like to wish everyone a successful 2019 Auction.

MASTERS OF THEIR CRAFT

Established in 1982, the Cape Winemakers Guild is a collective of some of South Africa’s greatest winemakers. These 45 winemakers have been recognised as excelling at their craft by their peers within the Guild. Membership of the Guild is by invitation only and is extended to winemakers who have been responsible for the production of outstanding wines for a minimum of five years and who show promise of not only consistently exceeding industry standards, but also promoting the values of the Guild.

Over the last 37 years, the Guild’s winemakers have demonstrated a commitment to developing the local wine industry, through innovative practices and the sharing of knowledge. The Guild and its members are investing in the future of winemaking, by nurturing young winemaking talent through the Nedbank Cape Winemakers Guild Development Trust and its Protégé Programme.

The CWG meets regularly as a technical tasting group, providing its members with an opportunity to evaluate wines from around the world and to share their knowledge and ideas - ensuring that CWG members remain leaders in the art and science of winemaking.

THE NEDBANK CAPE WINEMAKERS GUILD DEVELOPMENT TRUST

The Nedbank Cape Winemakers Guild Development Trust was formed in 1999 to support social development through further education in the South African wine industry.

Funded through donations as well as proceeds raised by Guild members at charity events throughout the year, the Trust’s current projects include the Oenology and Viticulture Protégé Programmes, the AgriSeta Billy Hofmeyr Bursaries and Wine Training South Africa.

PROTÉGÉ PROGRAMME

The Protégé Programme has established itself as the most successful skills development programme in the South African wine industry.

Launched in 2006, the aim of this three-year internship is to cultivate the next generation of award-winning winemakers and viticulturists through mentorship and empowerment, whilst promoting transformation within the industry.

The members of the Guild play a pivotal role in mentoring and inspiring the Protégés to strive for perfection, passion and excellence in winemaking. This enables the Protégés to develop their skills whilst being exposed to different terroirs and styles of wine, giving them invaluable experience and a firm foundation upon which to build their careers.

To date, 30 Protégés have participated in the programme, with 20 having graduated and now working within the South African wine industry. A further ten Protégés are currently participating in the programme.

BILLY HOFMEYR AGRI SETA BURSARY

In addition to the internships, the Protégé Programme also offers Billy Hofmeyr AGRI Seta bursaries to final year and Masters Viticulture and Oenology students at Stellenbosch University and Elsenburg Agricultural College.

AVERAGE PRICE per 6 x 750ml case over the past 10 years:
**Beyerskloof**

**CWG Traildust Pinotage 2017**

100% Pinotage  
Wine of Origin Stellenbosch  

**Winemaker** Beyers Truter

The grapes were hand-picked at optimum ripeness. Fermentation took place over five days in open casks with punch-downs every two hours. The average fermentation temperature was 25°C. After malolactic fermentation in stainless steel tanks, the wine matured in new French oak for 22 months. Beyers selected the best barrel of Pinotage for his last Cape Winemakers Guild Auction.

*Tasting Notes:* A big structured Pinotage with intense, dark fruit flavours. A complex middle leads to a smooth finish with pleasant aromas from the French oak. Great balance between fruit and oak will allow for ageing superbly in the bottle.

**Jordan**

**Sophia 2016**

67% Cabernet Sauvignon, 33% Merlot

Estate Wine of Origin Stellenbosch

Winemaker **Gary Jordan**

Specially made for the CWG Auction from our best hillside vineyards on Jordan Wine Estate, this wine has been named ‘Sophia’ after the legendary mother of Faith, Hope and Charity. Traditional, gentle pump-overs on the Cabernet Franc and Merlot with extended maceration on the Cabernet Sauvignon and Petit Verdot ensure a Bordeaux-like complexity. Barrel aging for 24 months in 85% new 225 litre oak barrels, has created a benchmark wine with an opulent structure and texture to age for many years.

_Tasting Notes:_ Complex, dark chocolate, black cherry and cassis intertwine with rich blackberry fruit and hints of vanilla and spice from the integrated French oak. Densely layered ripe tannins add to the opulent fruit.

This wine is packed in wooden boxes.

**Winemaker Carl Schultz**

As always, this wine is a blend of two single sites at Hartenberg. A single barrel of the flagship Gravel Hill, growing in iron ferricrete soils was blended with two barrels of near neighbour, The Stork Shiraz that grows in deep, clay-rich, ochre-coloured Tukulu soil. The former lends tannin and backbone to the blend, whilst the latter contributes intense berry fruit and succulence. The preceding vintage, 2015, was the only CWG Auction wine to receive a Platter’s 5 * in their 2019 Guide.

**Tasting Notes:** White pepper and perfumed notes on the bouquet. The palate entry is supple and elegant, whilst the mid-palate shows spicy garrigue and black berries. Ends with a richness of fruit and fine, dry tannins.

Leeu Passant
Radicales Libres 2014
100% Chardonnay
Wine of Origin Klein Karoo

Winemaker Andrea Mullineux

This is not a normal wine. It is a force of nature. This wine was inspired by the concentrated white wines of Rioja and the Jura. This wine was created by picking at normal ripeness levels, followed by fermentation and several years of evaporative barrel maturation.

From the incredibly cool Barrydale Valley in the Klein Karoo; after fermentation, this Chardonnay was aged in barrel for a further FIVE YEARS! In that time, as water evaporates, everything else in the wine concentrates. It is an intentionally powerful experience.

Tasting Notes: Salt and Almonds and Time and Power. This wine is bulletproof and will pair amazingly with hard cheese and salty nuts.

This wine is packed in wooden boxes.

62% Cabernet Sauvignon, 25% Merlot, 13% Cabernet Franc  
Wine of Origin Simonsberg - Stellenbosch

**Winemaker Abrie Beeslaar**

Grapes from 28-year-old vineyards were picked at 24° Balling. At the cellar the grapes were destemmed, sorted and crushed into open top “kuipe”. The skins were punched down every two hours for five days. After malolactic fermentation, the blend was made and the wine went into 100% new French oak barrels for 24 months.

*Tasting Notes:* Perfume, red berries and floral notes are prominent on the nose, with a structured, yet elegant palate. This is a classic example of this wine and also representative of the vintage.

Neil Ellis Wines

The Designate 2013

70% Tempranillo, 30% Cabernet Sauvignon
Wine of Origin Stellenbosch

Winemaker Warren Ellis

A vineyard-selected blend from two premium sites known to grow quality grapes of distinct style. The Tempranillo, from the Bottelary hills, overlooking False Bay. The Cabernet Sauvignon is from the Jonkershoek Valley. These exquisite parcels were fermented separately. A series of punch-downs and pump-overs were employed to manage extraction. Blending commenced in September 2013 to give these components enough time to marry. The wine spent 18 months in French oak barrels.

Tasting Notes: Dark, intense garnet colour. A subtle nose of dark and red cherries, violets and perfumed notes leading into masala spice and tobacco finish. The palate is elegant yet complex and dense. Dark berries and liquorice unfolds into an elegant and lengthy balanced palate.

The wine is packed in wooden boxes.

Ataraxia
Under The Gavel Chardonnay 2018

100% Chardonnay
Wine of Origin Hemel-en-Aarde Ridge

Winemaker Kevin Grant

Once again sourced from a single, cool, south-facing vineyard on The Skyfields, home to Ataraxia, located in the Hemel-en-Aarde outside the Atlantic coastal town of Hermanus. Painstaking fruit selection at harvest was followed by an extreme non-interventionist winemaking approach. Fermented entirely in small, tight-grain French oak barrels, custom ordered from selected Burgundian coopers, this wine was barrel aged for a further nine months before being bottled.

_Tasting Notes:_ Inspired by the mantra “Terroir can be found by anybody who would care to look for it”, this wine is the purest expression of Ataraxia’s dirt (soil). Broad-shouldered, yet undeniably athletic.

100% Syrah
Wine of Origin Coastal

Winemaker Marc Kent

Only two barrels made. One barrel sourced from a tiny, unique parcel grown on decomposed schist soils on our Porseleinberg vineyard and the other barrel from one of the best old vineyards in Stellenbosch.

Spontaneous fermentation in concrete Nico Velo vats, 25% whole cluster and élevaged for 18 months in French barriques.

Tasting Notes: Floral notes abound on the nose, an indicator of the wine’s part Swartland pedigree; explosion of white pepper and spicy aromatics on the palate as expected from a cooler maritime-influenced vineyard.

A selection of the grapes from vines on the clay-rich section of our GS vineyard that yields far less than the surrounding vines. Small egg tank fermentation with three punch-downs a day was followed by a soft press and 18 months in new French oak before an egg white fining, light filtration and bottling.

*Tasting Notes:* Dense and dark with a cedar spice and ripe, cassis nose. This wine shows the typical iron-fisted structure of great Simonsberg Cabernet Sauvignon. Terrific linear acidity, bright fruit and wood tannin.

The grapes were whole bunch pressed directly to barrel and allowed to naturally ferment. Thereafter the wine was matured in a seasoned 300 litre French oak barrel - 11 months on gross lees - allowing for perfect integration of flavours and texture.

_Tasting Notes:_ The wine offers a complex nose showing quince, peach and apple, with lemongrass and ginger spices giving it more dimension alongside the mineral intensity of the finish.

74% Cabernet Sauvignon, 14% Merlot, 6% Cabernet Franc, 6% Petit Verdot
Wine of Origin Stellenbosch

Winemaker Rianie Strydom

The Cabernet Sauvignon and Merlot form the core of this wine and the grapes were specially selected within the vineyards and fermented separately. After maturing in French oak barrels for 12 months, the best barrels were blended together and then matured for another 6 months. Prior to bottling, a fresh portion of Petit Verdot and Cabernet Franc from the 2017 vintage were added to complete the full Bordeaux-style wine.

Tasting Notes: This is a well-balanced wine with a soft entry and fresh inner core. The palate shows red and dark fruit flavours, graphite and refined tannins.

Bartho Eksteen

Professore 2017

81% Pinotage, 11% Roobernet, 8% Nouvelle
Wine of Origin Western Cape

Winemaker Bartho Eksteen

Professore is a tribute to two of the greatest pioneers in the history of the South African wine industry, professors Abraham Perold and Chris Orffer, fathers of our very own Pinotage, Roobernet and Nouvelle. This might be a world first and a true Cape blend. A solid Pinotage from granite soil was used, 20% juice was bled off after crushing and replaced by 10% juice of full-ripe Nouvelle. After fermentation 20% Roobernet was blended in and matured for 21 months in small French oak.

Tasting Notes: Pinotage, known for its cherry (Pinot Noir) flavours and earthiness (Cinsaut), ripe Nouvelle often adds a waxy, bubble-gum tone - but be careful with Roobernet; it’s another “animal”. A new born magic.

Newton Johnson Family Vineyards
Sandford Chardonnay 2018
100% Chardonnay
Wine of Origin Upper Hemel-en-Aarde Valley

Winemaker Gordon Newton Johnson

Sandford offers a sense of energy and vitality when intertwined with the richness of Chardonnay. Coarse, loose grains of granite and quartz reach down to red, iron-rich clay in the soil that underlines the wine’s structure and grip. Made without sulphur in the winemaking, the whole bunches were pressed directly to barrel for fermentation to finish the following spring. Matured for 11 months, the wine is racked through coarse filtration to older barrels for 6 months élevage before bottling.

Tasting Notes: Beaming yellow fruit and mineral crushed stones drive the vigour in the nose, fleshed out with richer stone fruit and roasted chestnuts. Luxuriant front palate merges in to a linear and grippy finish.

**Drip Barrel Cabernet Franc 2017**

100% Cabernet Franc  
Wine of Origin Stellenbosch

**Winemaker Jeff Grier**

Ripe Cabernet Franc was crushed and destalked, followed by fermentation in a pump-over container to maintain the integrity of the skins. We were only interested in the Drip Barrels. This is the fermenting wine that drips out of the berries under the weight of the skins after drawing off. It is the heart of the wine. The juice is dark, clear, beautifully balanced and intense. The fermentation completed in a mix of new and used French barrels and after 18 months of maturation, it was bottled.

**Tasting Notes:** Intensely perfumed, showing some finesse with dark berry fruit and spice with an underlying smokiness. It is ripe with textured tannins and a long finish.

Auction Selection Pinot Noir 2017

100% Pinot Noir
Wine of Origin Elgin

Winemaker Andries Burger

Pinot Noir sourced from two of our highest lying Pinot Noir vineyards. After extensive bunch and berry sorting, the grapes (15% whole cluster) were transferred to 3.5 ton wooden open top fermenters by gravity. After seven days of cold soaking, the fermentation started spontaneously. During fermentation, the skin cap was punched down by hand twice a day. The wine was pressed and transferred to barrel for malolactic fermentation and maturation. After 13 months, the wine was blended for bottling.

Tasting Notes: A wine with a beautiful bright red colour and an inviting nose of red berry fruit. The palate is juicy, with fresh red fruit and fine, grainy tannins. An elegant wine with a lingering savoury aftertaste.

This wine is packed in wooden boxes.

60% Cabernet Sauvignon, 30% Shiraz, 10% Cinsault
Wine of Origin Stellenbosch

Winemaker Louis Strydom

The grapes were hand-picked in the cool of early morning and the grape bunches were gently destalked and lightly crushed. On the sorting table, all excess stalks and rotten berries were carefully removed by hand. Fermentation took place in small 300 litre open top oak barrels with three weeks’ extended maturation. The wines were punched down manually five times a day, ensuring maximum colour extraction from the skins. Each variety was separately vinified and blended after 18 months of maturation.

Tasting Notes: Immediately impactful. Complex, with an array of fruit, oak and savoury aromas. Black cherry, red currant, crushed stone, tilled earth and toasty oak, all underscored by refined tannins.

This wine is packed in wooden boxes.

Agrafe Fermented and Crown Cap Fermented MCC 2014
51% Chardonnay, 49% Pinot Noir
Wine of Origin Western Cape
Winemaker Pieter Ferreira

Each case of this wine contains 3 bottles fermented in the Agrafe style and three bottles fermented under Crown Cap.

Part 1: Agrafe Fermentation: This is an expression of a Cap Classique that has been fermented under a natural cork for the secondary fermentation. This is a return to the traditional way of fermentation in Champagne and Cap Classique. The type of finish is known as the Agrafe closure.

This wine is a blend of Chardonnay and Pinot Noir and portrays a unique flavour profile and texture to the standard traditional Crown Cap fermentation. It has spent 48 months on the secondary lees before disgorgement.

Part 2: Crown Cap Fermentation: This is an expression of a Cap Classique that has been fermented under the normal crown cap for the secondary fermentation. This is a modern way of fermentation in Champagne and Cap Classique.

The wine is a blend of Chardonnay and Pinot Noir and portrays a unique different flavour profile and texture to the Agrafe fermentation. It has spent 48 months on the secondary lees before disgorgement. The finish to this wine secured with a muselet to show the difference.

Tasting Notes: Good entry of lime zest and classic creamy complexity. Well supported by the richness from the Pinot on the palate with great elegance and finesse with great yeast complexity and surprising freshness.

Leo’s Whole Bunch Chenin Blanc 2017

100% Chenin Blanc
Wine of Origin Bot River

Winemaker Sebastian Beaumont

This is the second version of a whole bunch fermentation that I have put in bottle. The first one was made in 2011, the year that my son Leo was born. Since then I have experimented with this style of wine every year. The 2017 is the first vintage I thought should go into bottle. The grapes were in perfect condition. The wine spent 8 days fermenting on the skins, was then pressed off and taken to barrel for the end of fermentation. Matured on gross lees for 18 months in a new barrel.

Tasting Notes: Light, straw colour from the time on the skins. Aromas of spicy and floral fruit. Hint of oak. Inviting palate of fresh fruit, spice and grainy texture. Leaves your mouth watering for the next sip.

This is a selection from the best performing vineyard of Cabernet Sauvignon that would normally make up a component of the Max blend. Fermented and matured separately, the grapes are treated with the utmost care and respect of fruit. The winemaking process is simple - follow a natural process to preserve what is inherently perfect in the fruit, to an end product which can be bottled.

Tasting Notes: This wine is intense and dark. Displaying notes of cassis, blackberry and cedar wood. Hints of tobacco leaf and a firm tannic, savoury finish.

Big Dog V Méthode Cap Classique 2014

69% Chardonnay, 31% Pinot Noir
Wine of Origin Western Cape

Winemaker John Loubser

Made in the traditional Cap Classique method, both the Chardonnay and the Pinot Noir grapes were whole bunch harvested and pressed. The Chardonnay portion was barrel fermented and aged in old French oak barrels to enhance the creaminess and complexity, while the Pinot Noir portion was cold fermented in stainless steel in order to accentuate the red apple characters. After blending, the wine was bottle fermented and aged on the lees for 50 months. The wine was aged on the cork for nine months.

Tasting Notes: The aim with Big Dog V is to create a rich and complex bubbly without compromising finesse and elegance. An enticing roasted almond, marzipan and cookie spice bouquet supported by a creamy palate.

Serve with crayfish bisque, petit poulet and creamed spinach or alikreukel trio (ref. the CWG book “Cellarmasters in the Kitchen”). Previous vintages of this wine were accoladed 92 - 96; 5-star Platter’s, Tim Atkin’s highest score internationally wooded Sauvignon Blanc and most successful Sauvignon Blanc in the history of the CWG auction - a true benchmark.

*Tasting Notes:* Nods towards Pessac-Léognan, but has a Cape character all of its own. Flinty, grapefruit, fresh lime, green herb flavours. Focused, with superb intensity. Older oak adds complexity and gravitas.

Saskia-Jo 2017
88% Chenin Blanc, 12% Clairette Blanche
Wine of Origin Swartland

Winemaker Miles Mossop

This is a selection of the best performing parcels of vineyards used for the Saskia blend. These parcels are fermented and matured separately, being blended to best express the environment they are grown in. Naturally guided through the winemaking process to preserve what is inherently in the fruit until bottling. Bottled without filtration or fining.

Tasting Notes: The aromas and flavours are intense and complex, with notes of white peach, orange blossom, fresh brioche and toasted almonds with a hint of struck match on the nose.

This wine is packed in wooden boxes.

Newton Johnson Family Vineyards  
The Awakening Mourvèdre 2018  
100% Mourvèdre  
Wine of Origin Upper Hemel-en-Aarde Valley

Winemaker Gordon Newton Johnson

Writhing out of the deep granite formation of ochre-coloured saprolite rocks, each one of these densely planted Mourvèdre bush vines is a sculpted testament to the intensely flavoured grapes they produce. Made without sulphur in the winemaking, submerged whole bunches and berries were fermented in closed oak vats with no applied extraction. Matured for 12 months in puncheon barrels, the wine was racked and blended back for a further 3 months élevage. No fining or filtration before bottling.

Tasting Notes: The petrichor smell of rain on hot stones leads to a dense cassis and graphite core, laced with allspice and dried buchu. Chiselled linear tannins are threaded with savoury liquorice in to the finish.

This wine is packed in wooden boxes.

Jordan

CWG Chardonnay 2018

100% Chardonnay
Estate Wine of Origin Stellenbosch

Winemaker Gary Jordan

Specially made for the CWG Auction, this benchmark Chardonnay from the oldest hillside vineyards on Jordan Wine Estate is traditionally made according to classic Burgundian winemaking techniques. Intensely concentrated lemon-lime flavours and slow fermentation in 228 litre French oak barrels for twelve months has resulted in a reserve style with a new world twist. Quartzite veins through the 600-million-year-old granite sub-strata provide the backbone for the classic mineral flavours.

*Tasting Notes:* An iconic Chardonnay with intense mineral, lemon-lime flavours and hints of butterscotch and vanilla. The full, rich mouth-feel and balanced oak integrate superbly with the tropical fruit finish.

This wine is packed in wooden boxes.

Boplaas
Daniel’s Legacy 8 Year Potstill Brandy
100% Colombard

Winemaker Carel Nel

The grapes are picked at 18°C with a high acidity (as in Cognac). Fermentation took place between 15 – 16°C. Fine aromas from Colombard. Left on the lees for malolactic fermentation before distillation for more complexity. Distilled in an old (100 year old) Santagans Copper still. Double distillation to 70% alcohol and aged in French oak barrels.

Tasting Notes: Climatic conditions of the Klein Karoo have created a brandy brimming with ripe stone fruits, honey, herbal and floral notes and a sublimely smooth mouthfeel and finish.

De Trafford
Chenin Blanc Reserve 2017

100% Chenin Blanc
Wine of Origin Stellenbosch

Winemaker David Trafford

The grapes are produced by top quality, low yielding clones SN220 and SN24 from an 11-year-old, meticulously managed Keermont vineyard. This is a single, 225 litre barrel of Chenin Blanc that took nearly a year to complete its natural ferment and turned out exceptionally well. We nurtured the wine for a further 9 months in the same barrel before bottling by hand, unfiltered as usual.

*Tasting Notes:* Deep straw colour. Fresh dusty apricot nose with complex creaminess from the long lees contact. Honey, beeswax and floral notes. Vibrant creamy palate with layers of flavours and a long, nutty finish.

Mullineux
‘The Gris’ Semillon Old Vines 2018
100% Semillon Gris
Wine of Origin Swartland

Winemaker Andrea Mullineux

59 years ago Chubby Checker popularised The Twist, the first Weather Satellite was launched, Albert Camus died, Bono was born, the laser was invented, JFK was elected US president, a loaf of bread cost 9 cents, To Kill A Mockingbird was published, South Africa was not a republic, the first animals were successfully sent into Earth’s orbit and back, the heart pacemaker was invented and these heritage vines were planted in the Swartland.

Planted in 1960, this extremely rare, dry-farmed Semillon Gris heritage vineyard on the granite soils of the Paardeberg was hand-picked and fermented naturally in a single barrel.

This wine is packed in wooden boxes.

Frans K Smit
20 Year Celebration 2015

34% Cabernet Franc, 33% Merlot, 33% Cabernet Sauvignon
Wine of Origin Stellenbosch

Winemaker Frans Smit

The grapes were hand-picked, destemmed and hand-sorted before fermentation. Vintage 2015 was a special year where very little interference and soft extraction in the winemaking process was required. The wine was naturally fermented in 400 litre roller barrels.

After 12 months of barrel maturation, the wine was blended and returned to barrel for 12 more months.

Tasting Notes: Dark edged, this wine shows prominent ripe blackcurrant on the nose with hints of cassis and spicy undertones.

It is full bodied with layers of fruit and spice and a well-integrated tannin structure.

50 cases of this wine were previously sold on the 2018 Auction.

This wine is packed in wooden boxes.
